Supervision Arrangements

Before and after school supervision arrangements

Student safety at St Arnaud Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8.40am in all areas except the front lawns.

After school: School grounds are supervised from 3-3.10pm noting that at the end of the day playgrounds and the Foret are out of bounds and students are expected to leave the school grounds promptly.

Students on school grounds outside these times will not be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact Melissa Mitchell on 54951028 or refer to <https://www.starnaudps.vic.edu.au/> for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements.

For a copy of our school's Yard Duty and Supervision Policy, contact the school office. This policy includes St Arnaud Primary School's student supervision arrangements across the school day, including before and after school.
